

# Heavy-duty grease gun mounting clamp

Offers secure, convenient storage, even on mobile equipment

LARGE  
CLAMPING  
SURFACE FOR  
EXCELLENT  
STABILITY

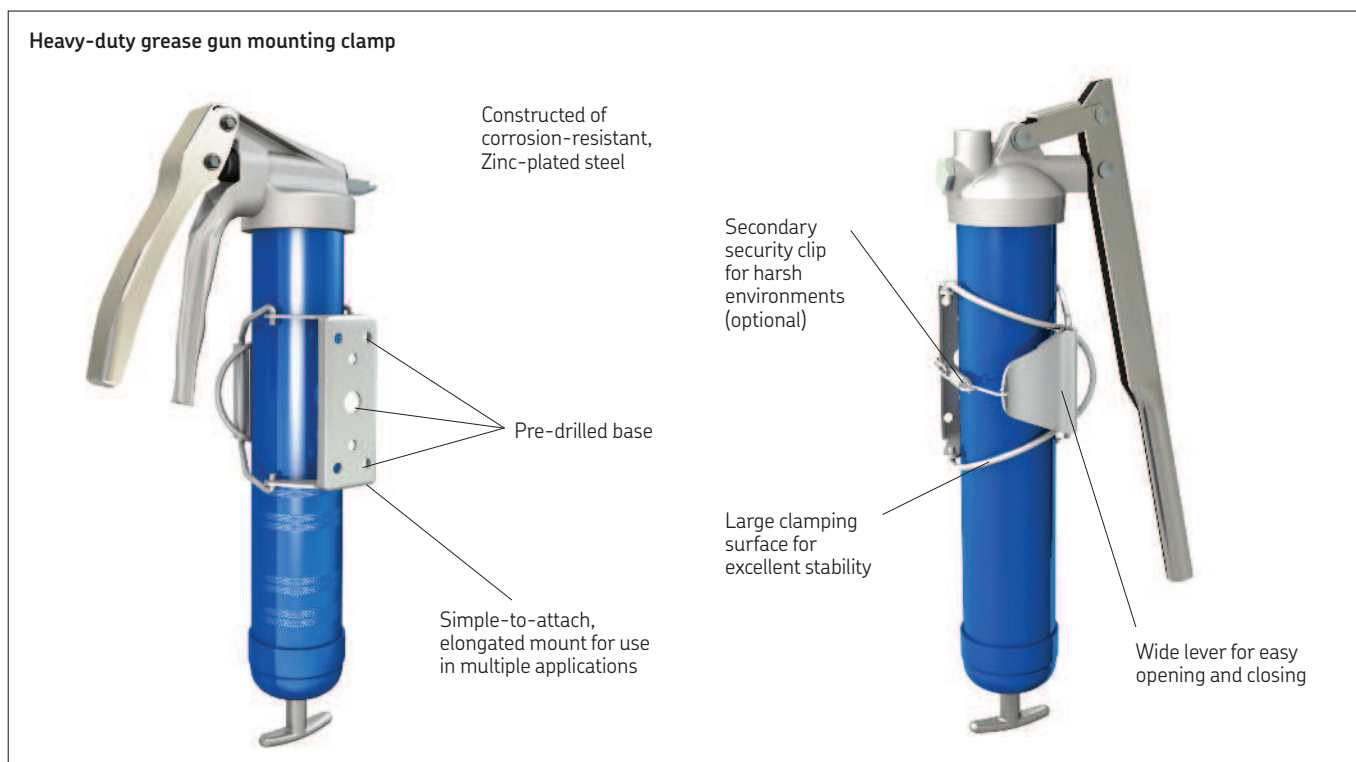

SKF's Lincoln-branded heavy-duty grease gun mounting clamp was developed to securely hold a grease gun when not in use. Simple to fasten and disengage, the clamp secures grease guns up to 10 lb (4.5 kg) and offers a latch as a secondary security option for mobile applications. The easy-to-mount clamp features an elongated, pre-drilled base designed for various applications and mounting configurations.

The mounting clamp is suitable for construction, agriculture, industrial and vehicle service applications. It is compatible with all grease gun brands using a standard 14-ounce (400 g) barrel.

## Heavy-duty grease gun mounting clamp advantages:

- Easy to mount on equipment, shop walls and factory posts
- Simple to fasten and disengage
- Holds tool safely and securely
- Provides convenient access to grease gun
- Heavy-duty, stamped-steel design for long life
- Superior functionality compared to competitive products

# Provides improved accessibility and safety
